## LUNCH MENU FOR SEPTEMBER:

Download from our [School Lunch Information](#) page

## Vaccination Records Required

Contact: [Mrs. Di Nino](#)

Please note that, per Ohio Law 3313.671, all children must have a completed immunization record or immunization exemption form on file with the school. Letters will be going home this week for students who are currently non-compliant. Please forward all immunization records or exemption forms to Mrs. Di Nino at your earliest convenience.

## Notification for Student Absences

Contact: [Mrs. O'Callaghan](#)

A parent or legal guardian must contact our front office each day his or her child will be absent from school for illness or another reason. To notify the front office please either email [attendance@cincyclclassical.org](mailto:attendance@cincyclclassical.org) or call (513) 554-0285 as early as possible the morning of the absence and at latest by 9:00 AM. Please include your child's full name and the reason for the absence.

## Lunch Accounts

Contact: [Mrs. Hyden](#)

W.G. Grinders, our lunch provider, is having an issue with children charging lunches when their account has a negative balance. Parents not only need to setup an online account through [myschoolaccount.com](https://myschoolaccount.com), you must also add money to your child's account. This a debit system, not a credit system. All accounts will be locked so that an account cannot go below negative \$5.00. At that time, children will be given a non-nut sandwich so that they will have some form of lunch. At that time money will need to be added their accounts or pack their lunch.

### **Singapore Math for Parents**

Contact: [Mrs. Puglielli](#) | [LINK](#)

Learn why Singapore math not only helps students become more successful problem solvers, but why it helps them gain a sense of confidence and resourcefulness because it insists on conceptual depth. This session, presented by Headmaster Michael Rose and Hillsdale College K-12's Carrie O'Brien, will also offer tips on how parents can best support their students at home with math. For now, try to solve this problem from our third grade Singapore Math textbook: Sally had 57 more pencils than pens. After she gave away 47 pencils, she had twice as many pencils as pens. How many pens and pencils did she have left altogether? (Answer is at the end of the newsletter.)

### **October Soccer Clinics**

Contact: [Mrs. Hauck](#) | [LINK](#)

Coach Gary Stoddard is providing free soccer clinics in October to help our students explore the sport and have fun. All skill levels are welcome. The clinics will be held at school at the Elysian Fields (next to the Activity Center) on campus on the four Mondays in October from 3.30pm-4.30pm. This will be for 3rd to 6th grade boys and girls. 3rd & 4th grades will have clinics on October 3rd and 17th. 5th & 6th grades will have clinics on October 10th and 24th. The clinics will cover an attacking theme on day 1 and a defending theme on day 2. Please register through Final Forms.

### **Boys & Girls Basketball**

Contact: [Mrs. Hauck](#)

Boys and girls basketball (for grades 3-6) is gearing up. If your child is interested in participating in the first season of Classical Basketball and you have not signed up on your Final Forms account, please do so by October 10, 2022. Pre-season open gym will begin for the boys' teams on October 17 and 24: 5th-6th grade at 5:30-6:30 PM and 3rd-4th grade: 6:30-7:30 PM. Attendance is encouraged, but not required. Pre-season open gym will begin for the girls' teams on October 18 and 25: 3rd-4th grade at 5:30-6:30 PM and 5th-6th Grade at 6:30-7:30 PM.

### **Sports Physicals**

Contact: [Mrs. Hauck](#)

All athletes must have a Pre-Participation Evaluation (physical) completed and in the school office by October 10. The OHSAA Physical form is located on your Final Forms. Physicals last 13 months from the date of the actual physical. The OHSAA PPE has a page that states your child is medically cleared to participate.

### **Basketball Coaches**

Contact: [Mrs. Hauck](#)

Parents, if interested in coaching, please contact Mrs. Hauck. At this time, we will likely have five boys teams and four girls teams. We will be in need of a few more coaches. The coordinator for the boys basketball program is Coach Kevin Johnson and the coordinator for the girls program is Coach Larry Schildmeyer. We will also be looking for a team parent for each team to help the coordinator organize volunteers for game day.

### **REMINDERS**

#### **Current Families Resources Page | [LINK](#)**

Recently, we updated our Cincy Classical website to include a one-stop info page for Current Families. [Here](#), you will find our school events calendar, along with links to the transportation page, the spirit shop, school uniform information, summer reading recommendations, and a contact list so that you might know best whom to contact about various school-related issues.

If you have any questions, please call our front office at (513) 554-0285. We look forward to seeing you and your family on campus soon!
