

# CINCINNATI CLASSICAL ACADEMY

## *Annual Fund* **Giving Levels**

Other public school districts receive funding beyond what the state allocates for each student. This funding is mainly received from levees and bonds.

As a community school, CINCINNATI CLASSICAL ACADEMY does not have access to such funding. The Annual Fund helps us to make up for what we lack.

We already do so much MORE with so much LESS. Support of the Annual fund enables CLASSICAL and our students to grow to even greater heights!

Donors to this fund really are the pillars that strengthen us and support us.

### Order of Pillars

#### **Up to \$250: Tuscan Order**

The simplest of the orders, it retains more of the ancient simplicity of the first architects in creating something structurally sound.

#### **\$250-\$999: Doric Order**

Built upon the soundness of the Tuscan column, this column has the addition elaborations.

#### **\$1,000-\$4,999: Ionic Order**

Uses flutes from the Doric with the addition of scrolls and spirals.

#### **\$5,000+ : Corinthian Order**

Builds upon the beauty of the Ionic with the addition of acanthus leaves.

#### **\$20,000+ : Composite Order**

The most magnificent of all columns used by the Romans, who incorporated elements of all.
