

Who is MPower Youth Sports, and what sets us apart from the rest?

It is the mission of Martial Arts America Kenwood/Landen & MPower Youth Sports to reach as many individuals through the programs that we provide with the sole intent to make a difference in peoples' lives. Our culture of RESPECT, STRONG CHARACTER, HARD WORK, AND INTEGRITY will drive us to be the BEST that we can be so that others can be the BEST that they can be.

Established in 2012, our After School and Summer Camp Programs provide a much-needed service to working parents in our communities at an affordable price. We stand apart from other programs because we are **not** a day care. We consider ourselves the “private school” of after school and summer camps! Our zero-tolerance bully policy, our high-quality programs and activities, and the fact that all our staff are highly trained in classroom management allow us to provide the very BEST care for your child!

Your child is in good hands! Each member of our team is carefully selected through an extensive interview process that includes Level 2 background checks through the FBI and the Ohio Bureau of Criminal Investigations. Before anyone is offered a job, they must pass both background checks and be cleared through both agencies to work with children. The safety of our students is our #1 Priority, therefore all our staff is **required** to be CPR and First Aid Certified. In addition, all our staff is highly trained in the MPower Youth Sports Summer Camp & After School Coach Training Course which emphasizes RESPECTFUL class management training, Certified in the Skillz Integration Specialist Program, as well as all aspects of daily tasks, activities and responsibilities. We also make sure that each group is well supervised by awesome coaches and LIT Helpers who LOVE to have fun! Ohio child to adult ratios are met by making sure that we have one adult aged coach and one to two LIT Helpers are with each group always!
