Learn why Singapore Math not only helps students become more successful problem solvers, but why it helps them gain a sense of confidence and resourcefulness because it insists on conceptual depth. This session, presented by Hillsdale College K-12’s Ms. Carrie O’Brien, will also offer tips on how parents can best support their students at home with math. If you plan to attend, please RSVP Mrs. Puglielli. This will help us with planning for the event. The event will be held this Tuesday, from 7-8:30 PM in the Sojourner Truth Auditorium. IN CASE YOU MISSED IT

Driving Along Siebenthaler Ave.

Thank you again for your continued respect of our neighbors on Siebenthaler Avenue. Please remember that if traffic is ever backed up onto Siebenthaler, be mindful not to block any of the neighbors' driveways.

Important Info for Bus Riders

If you registered for bus service, your student received a bus tag from the front office. However, if you happen to decide on alternative transportation on a given day or intend to discontinue with the bus service, please promptly notify your student's homeroom teacher and the front office in order to ensure there are no delays with dismissal for CLASSICAL bus riders.

Morning Drop-Off Procedures

Please keep the following information in mind in order to maintain a smooth flow of traffic:

- Arrival Time: We kindly request that students arrive at school between 7:30 and 8:10 AM each morning.
- Drop-off Point: To streamline drop-off procedures and ensure efficient traffic flow, we have designated the Blue Awning Entrance as the single drop-off point. This area operates with a one-way, counter-clockwise traffic flow around the school building.
- Early Arrivals: For students who arrive prior to 7:50 AM, we will provide supervision in the Cincinnatus Refectory (cafeteria). At 7:50 AM, students will be directed to their respective classrooms. School begins promptly at 8:15 AM each day.
- IMPORTANT Note: We kindly request that parents refrain from approaching the Blue Awning with their children. To maintain a smooth and safe process, we ask that you follow the guidance of our Traffic Sentinels, Mr. Slonkosky and Mr. Bullock. They will assist in safely unloading your children, allowing the car line to keep moving efficiently.

We deeply appreciate your cooperation and understanding as we work together to make the first weeks of school as smooth and enjoyable as possible.

Afternoon Pick-Up Procedures

Since we have many new families joining us next week, we want to ensure that our afternoon carline pick-up routine is clear and efficient. Here's a breakdown of the process:

- Arrival and Greeting: When you arrive by car, one of our friendly staff members will be there to welcome you. They will record your family name and the names of individuals you are picking up. Please be sure to have your Family Name Placard prominently displayed in your driver-side window.
- Designated Pick-up Lanes: After the initial greeting, you will be directed to one of our three designated pick-up lanes. These lanes are organized to streamline the process.
- Student Release: To maintain a smooth and secure procedure, students will be called out in groups, typically around 15 car-loads at a time.
- Cooperation with Traffic Sentinels: Our traffic sentinels will be present to guide you through the carline. We kindly ask for your cooperation in following their instructions, as they are there to prioritize the safety of everyone involved.

Thank you for your understanding and cooperation as we work together to make the carline process as smooth as possible.
