

# OhioMeansJobs K-12

## Ohio's Free Career Planning Tool

**Discover interests, explore careers, and build your future!**

At OhioMeansJobs K-12, students can:

- **Discover interests:** Find out which careers match your passions and explore in-demand jobs.
- **Build a plan:** Create a roadmap for high school and beyond, including budget planning, resume-building, and more.
- **Track progress:** Use PortfoliOH to log work-based learning experiences and progress toward the OhioMeansJobs Readiness Seal.

### Introducing PortfoliOH

PortfoliOH is Ohio's free digital resource integrated into the OhioMeansJobs K-12 Student Profile. It helps students record and reflect on real-world experiences like internships, job shadows, school-based projects, and community activities. Document what you learned and the skills you gained, connecting classroom learning to career pathways and building progress to earn the OhioMeansJobs Readiness Seal.

### Quick Facts

- **OhioMeansJobs K-12 and the PortfoliOH Work-based Learning Tracker are free** for Ohio students.
- **Students in grades K-12, with most tools tailored for middle and high school, can use PortfoliOH.** Families, teachers, counselors, and business partners can access resources, too.
- PortfoliOH can be used to **track internships, job shadows, school-based projects, and community activities**—plus reflections on skills and learning.
- **These resources prepare students for graduation and beyond** by providing tools to build resumes, explore programs, and create a plan that aligns experiences with academic and post-high school goals.
- **Need help?** Contact your school counselor for login and planning support.
